#### Trail Courtesy and Skier Responsibility

There are elements of risk in skiing that common sense and personal awareness can help reduce.

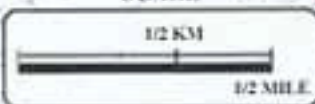

1. Maintain control of your speed & direction at all times.
2. Ski in a manner that does not endanger others.
3. Don't stop where you obstruct a trail or aren't visible.
4. Obey signs & posted warnings & keep off closed trails.
5. Be aware of changing conditions & natural & man-made obstacles that exist. Snow tracking and grooming activities are routinely in progress on trails. Use caution on designated trails.
6. Yield track to faster skiers coming down hill.
7. Do not walk/hike on ski trails. No pets on ski trails.
8. Do not ski without a trail pass.
